✓ I understand that this is an observed urine collection by a same-sex collector.

✓ I certify that I will not alter the sample in anyway and I understand that to do so is a first-degree misdemeanor.

✓ I authorize the SLC Drug Lab to forward my test results, name and all other necessary identifying information to C.O.R.E. Probation, the Court's file, State Attorney and Public Defender. This consent remains valid for a period of one (1) year or until the completion of the intervention and/or treatment, or until there has been a formal and effective termination, revocation or resolution of all legal proceedings, ending or otherwise, against me.

✓ I will not drink large amounts of excessive fluids ("overloading" i.e. water, coffee, tea, soda). Supplements with Creatine are forbidden. No poppy seeds, pre or post workout supplements or medications containing alcohol.

✓ Results with very low or very high Creatinine levels are considered invalid and you will be required to submit to another drug screen immediately, at your own additional cost.
